

Argent Health and Safety

About Us

Who we are:

Argent Health & Safety, part of the Parabis Group of Companies, is a unique specialist provider of health and safety services to the travel and tourism industry.

With over 50 years of experience supporting leading brands within the industry, we deliver solutions tailored to the needs of our clients. We are innovative and responsive to their needs ensuring that they comply with legal and corporate responsibilities.

Our professionally qualified staff deliver a consistent and quality service that is both cost effective and a benchmark for leading representative bodies.

What we do:

“Delivering Protection Together” in the following ways:

- On line access to a comprehensive database of health & safety reports on accommodation units
- Manage the provision of unit audits to ensure quality and consistent feedback.
- Undertake physical audits dependent on client requirements including: plant & machinery, buildings, transportation, management systems and hygiene.
- Post incident investigation
- Training tailored for our clients' needs.
- Design service for safety, due diligence policies, manuals and procedures.
- Access to claims and litigation support and advice
- Resolution and negotiated defect solutions which are monitored and quality checked where appropriate

Benefits:

- Cost reduction through improved investment decisions in health & safety
- Reduced claims experience
- Compliance with all relevant legislation
- Enhancing your reputation through market leading services
- Improving your customer experience and their perception of your business.
- Demonstrable commitment to quality and standards
- Delivering cost effective and practical solution
