

Training

A key element in effectively managing health and safety throughout your organisation is to ensure that everyone involved understands their individual responsibilities. Argent promotes such understanding by providing cost effective, market leading training and support.

Our modular approach, which is tailored to your business needs, ensures that each tier of your management structure receives the appropriate training they need to fulfil their organisational role. Where appropriate we will include any practical elements required into the training course.

Key Modules

Argent provides training in a range of modules covering all levels from basic awareness to complex issues and including those required by statute such as fire and food safety. Current modules include:

- Accommodation auditing
- Fire Safety
- Fire Warden
- Food Safety
- Gas Safety
- Hazard Analysis and Critical Control Points (HACCP)
- Hotel Auditors
- Risk Assessment
- Swimming Pool Safety
- Water Safety
