## **Argent Announces Further Additions To Its team Of Specialist Adjusters**

Argent Liability Adjusters, part of the Parabis Group, is delighted to announce that following on from the recent appointment of Rowena Byrne-Jones it has further strengthened its team of specialist adjusters with the appointment of Keith Donnelly and Phil Tate.

Both Keith and Phil will be joining Argent, in July, from Garwyns where Keith was Regional Manager, overseeing an area taking in Durham, Chester and Harrogate, and Phil his Assistant Manager in Durham.

Keith and Phil both bring in excess of 20-years' experience with them to Argent. They have a wide variety of claims handling experience including low value EL and PL claims through to those of the utmost severity including fatal accidents, paraplegia and significant brain injury cases. Additionally, they have garnered experience in relation to deafness, VWF, asbestosis and work related stress claims. Their client portfolio covers retail and heavy industry, local and London Insurance markets including Lloyds syndicates and composite insurers.

Commenting on the dual appointments, Managing Director Neil Ventris said:

"Once again I am delighted to welcome two significant industry figures to the Argent fold. With both Keith and Phil joining us it once again proves that Argent is able to attract the industry's top talent. Their extensive experience not only within the specialist adjusting arena but also of the North East, where they will assist us in establishing a new regional office, means that our growth strategy is now well on course both in terms of national coverage and enhancements to our team".
